1.0 Kraken Offshore Ltd Quality Policy Statement

Kraken Offshore Ltd are a specialist marine consultancy organisation, consisting of mariners, and other professionals from a wide range of disciplines. The type of work generally conducted by Kraken Offshore Ltd requires an emphasis on experience, professional competence, reliability, a safety focused approach and quality.

Kraken Offshore Ltd operates a defined Quality Management System intended to ensure that all activities undertaken by us are controlled and managed to maintain and continuously improve the service to our customer. Kraken Offshore Ltd and all of our associates are committed to:

- The provision of excellent technical services that meet or exceed customer requirements and expectations.
- Ensuring that our work complies with regulatory requirements and the relevant standards of our industry.
- Continually seeking to improve our service to our clients by setting realistic targets for overall QMS development throughout our organisation.
- Having a systematic approach, aligned with our client's requirements, designed to ensure compliance with the necessary regulations, achieve continuous improvement and to promote best practise within our work.

Implementation of the system should guarantee that our clients meet professionalism at all levels within the organisation and through our trained and competent personnel Kraken Offshore Ltd will provide quality from the initial request, through planning and operational phases to project completion.

Through good communications and open dialog Theta Services will ensure that suppliers, partners and sub-contractors comply with the established quality requirements.

The Quality Management System adopts a process-based approach and is designed to ensure that the objectives established for the system are achieved and the requirements of ISO 9001:20015 are adhered to.

This Quality Policy Statement is endorsed by Kraken Offshore Ltd Senior Management Team and will be continually reviewed periodically. It will be systematically adopted by all Kraken Offshore Ltd staff and associates. The Quality Policy Statement will be made readily available to all interested relevant parties upon request and permanently through our website.

Lee Wilkes (Managing Director)
